This beautiful house offers 8 bedrooms, 7 bathrooms which 5 are en-suite. The main house has 4 rooms and the master bedroom with a modern bathroom and a Jacuzzi. Lovely open plan kitchen, scullery and a washing area. Through the house opens up to a large dining area with a built in fire place to create the perfect ambiance for your guests. Outside the dining area is an undercover patio with the built in braai area and right next to a perfectly sized swimming pool. Next to the swimming pool is a special feature, a sauna. Perfect for those cold winters in Potchefstroom. The outside building house 4 rooms all with own bathrooms and shower. More than enough parking for guests. There is another seating room as you enter the house with another dining area. There is also office space and a waiting room. Undercover car port that can fit 4 cars. This is truly a great opportunity to run a guesthouse of your own. Has excellent exposure as it is close to the N12 highway. Give me a call and arrange the viewing.
