Three bedrooms, main bedroom with an ensuite. Two bathrooms. Lounge. Dining area. Kitchen. Single garage. Garden. Separate bachelor flat with kitchen and bathroom. Klerksdorp has all the luxuries of a city yet it still has that small home town feel. There are various shopping centres in suburbs, in the CBD and with the recently added Matlosana Mall, making shopping easy and accessible. No shortage of restaurants, golf courses, Ster Kinekor theatres and entertainment halls also available. Schools include English and Afrikaans Primary and Secondary as well as Private Schools. Various new developments both residential and commercial currently planned and in progress speak of the growth in the city. Definitely a place to bring the family home to.
